From the Editor's Desk...

The financial year 2020-21 has ended on better note. The forging industry has witnessed good growth in demand for forged components compared to last three quarters, handicapped by sudden increase in price of steel. Let the new Financial year begin with the hope of a better scenario where the entire nation is fighting with COVID.

AIFI has conducted online training program on "Induction Billet Heater Design Consideration and Reduction of Billet Drop Outs" on 12th & 13th January 2021. We have received participation from all locations, reaching count of 145 plus participants. And this is the second time that online training program on "CQI 9 Special Process Heat Treatment" was conducted on 2nd & 3rd March 2021. Due to overwhelming response and request for conducting training program on this topic again with an overwhelming participation count of 70 plus.

After a year's wait Forge Premier League- National League was conducted on 18th, 19th & 20th February via zoom. With some alternations in existing games as well by adding new game team AIFI was successful at conducting FPL with a decent number of participations crossing 140 in numbers.

As you are already aware, AIFI has built a mobile application to provide a common platform for both members and non-members. The app, is available both in Android and iOS platforms via your mobiles, the app would offer you the opportunity to discuss any topic, share your views, read our publications, have access to the latest monthly data and reports and so forth. To get the access to the app you may get in touch with us at the secretariat. Keep visiting our website-www.indianforging.org- to know more about our events and activities.

Happy Reading!!!
