# Foreword

**Dear Forgers,**

It is with immense pleasure that we present to you the first Suppliers' Directory-2019. It is our first attempt to provide a consolidated list of Suppliers that would assist you in your future requirements for a better production.

However, the list is definitely not exhaustive. Hence, we would be updating our Suppliers' Directory every six months. The copy of the Directory would be available for our members at no additional cost. You may access the same from our website-[www.indianforging.org](http://www.indianforging.org) or our mobile application. And if both these options are not feasible for you, feel free to write to us at [info@indianforging.org](mailto:info@indianforging.org) to get a copy of the Directory.

Also, if you have suggestions with respect to the Suppliers' Directory, we would be glad to incorporate them.

**Yours sincerely,  
Team AIFI**
